registration number 007/24/05/01/W

## TÜV SÜD Slovakia s.r.o. Product Certification Body

certifies here with that the organization

IMC Slovakia s.r.o.  
Šebešťanová 255  
017 01 Považská Bystrica  
IČO: 31632220

has established and applies a welding process in the field of:  
**Production of steel structures - safety frames and cabins for  
material handling equipment.**

in compliance with the requirements of tmonhe standard

### STN EN ISO 3834-2:2021

In the organization a certification (scheme: 6) and an audit of the process for manufacture by welding were performed, the results of which are referred to in Audit Report registration number 7165058016/50/2024 dated 20.06.2024.

This certificate is valid from **07.08.2024** to **06.08.2027**.

Details and conditions of validity are referred to in the Annex which forms an integral part of this certificate and contains 1 page.

In Bratislava, on 07.08.2024.2024

**Ing. Peter Šustek**  
For the Certification Body

## DETAILS AND CONDITIONS OF VALIDITY

1. **Type of product (products):** Welding of machine structures and structural steel components.
2. **Product standards or alternative standards:** Customer standards
3. **Standards, documents related to proving compliance with the requirements of STN EN ISO 3834-5** EN ISO 9606, EN ISO 14731, EN ISO 14732, EN ISO 15607, EN ISO 15609-1, EN ISO 15613, EN ISO 15614-1, EN ISO 9712, EN ISO 17636, EN ISO 17638, EN ISO 17639, EN ISO 17640, EN ISO 17662.

4. **Welding processes, material groups:**

<i>Welding processes (according to ISO 4063)</i>	<i>Base material groups (according to CEN ISO/TR 15608)</i>
135, 136, 141, 521, 111,	1,1.1, 1.2, 8

5. **Responsible welding coordinators:**

<i>Title/Name/Surname</i>	<i>Qualification</i>	<i>Function</i>	<i>Level (according to ISO 14731)</i>
Ing. Marek Čiernik	IWE No.: SK-IWE-23015 Date of issue: 17.07.2023	Authorised welding coordinator	In the full production range

6. **Conditions of validity**

- This certificate is valid exclusively for its holder and for the products referred to in the certificate.
- Any transfer to third parties as well as use of the certificate by third parties is forbidden.
- Any changes of the production technology, equipment, welding procedures and responsible persons compared to the certified making shall be reported to TÜV SÜD Slovakia s.r.o. without delay. This may have impact on further validity of the certificate depending on the additional evaluation.
- TÜV SÜD Slovakia s.r.o. supervises the proper realization of the manufacturing process at the manufacturer.
- This certificate is renewable upon request.
- This certificate may not be reproduced otherwise than complete including all Annexes.
- The holder of the certificate undertakes to keep records of all complaints, if any, regarding the product conformity with the regulatory requirements and requirements of the standards and make these records available to the Certification Body of TÜV SÜD Slovakia s.r.o.
- The holder of the certificate undertakes to observe the General Conditions for Product Certification of TÜV SÜD Slovakia s.r.o.
- In unspecified matters (advertising, use of certification mark and certificates) the current General Terms and Conditions for Product Certification shall be observed.
- This certificate is no substitution for the assessment of product conformity according to Act No. 56/2018 Coll. on conformity assessment of the product, making available of the determined product on the market as amended, Act No. 254/2011 Coll. on transportable pressure equipment as amended and Act No. 133/2013 Coll. on construction products as amended. It does not serve for proving product conformity with these regulations and related EU legislation and with other generally binding statutory regulations.
